Iridium does not certify or otherwise make any representation or warranty to the public or any third party, subscriber, or other end user as to the quality, effectiveness, reliability, performance, regulatory compliance, or safety of the ICE. Further, Iridium does not make any representation as to the suitability of this equipment for any specific use, and any representation or statement attributable to Iridium by Roadpost Inc. (or its agents or distributors) to the contrary shall be a material breach of the Agreement.

In the event of an enhancement or material change to the equipment listed above, Roadpost Inc. (or its agents or distributors) must obtain a Re-Certification Letter from Iridium in order to continue marketing and selling this equipment. Iridium reserves the right to withdraw certification, immediately or at any time, in the event of any adverse impact on the operations or performance of the Iridium Communications System that can reasonably be attributed to the ICE subsequent to the issuance of this Certification Letter. Roadpost Inc. shall cooperate with Iridium as necessary to evaluate the adverse effect, remedy any defect or other issue, and to re-issue the Re-Certification Letter.

Should you have any questions regarding this Certification Letter, please contact certification@iridium.com or your account manager.
